

TRY PUDDING

Well, For those interested in wanting to know or needing an example of what judgment is as it relates to this complaint in particular is to examine the children. That is, the children of the afflicted. As I am afflicted by the institutional racism of the public officials.

First, unlike Michael Cozzolino, I was made to be impoverished, and living homeless as such. So, imagine the lifestyle accorded him versus of that I was made to endure. Then, you can take notice of the fact that my offspring were made likewise to go without the things necessary to live the type life that my oppressors live. We can affirm this, because as some of them and even more so, I had a better college education which would establish to some extent other than being employed by the state, more opportunities at having a more fulfilling and rewarding life.

Instead, my son is incarcerated due to a chain of events set in motion by the actions of these officials. In other words life would have been different for me and my family had these racist-discriminatory acts had not taken place. We would not have to visit the issues otherwise. To extend on the last, I would definitely not be writing as many op-eds and filing legal complaints and such have the laws not been violated.

Secondly, we can look at the transference of evil spirits as well. In viewing the actions of the former comptroller, and her assistants Woodruff, Ojakian and others in the retirement division, we can ask the question as to how the discrimination continues. It wouldn't be possible if Mr. Lembo was in fact an individual unto himself, and not a part of a cult or shadow government. Otherwise, the letter issued by Helen Kemp would have no standing and would have long since been corrected. However, in his statement, he would choose to be uncomfortable than to be honest, or honorable. Now, notice the title or introductions they behold when addressed by others in their clique as being "Honorable," even Commissioner Delaney, appointed by what is by their standards an "Honorable" governor, and "Honorable" legislature. This is by their corrupt institutionalized racist standards. David Dukes always calls the southern racist KKK members honorable people and their forefathers as they killed and destroyed many through slavery and Jim Crow.

Finally, I can continue to give example after example of the destruction in my life. Fortunately, I can compare what I planned my life to be, and what it ultimately turned out to be. I can chart the progression from fifteen years of age and witness the decline throughout the nineties up until now. What is for certain is that at age forty seven, my intent to be a law abiding citizen is sustained regardless of the ill deeds heaped upon me by these public officials.

The overall judgment therefore will not be made by these individuals as it relates to heaven and hell. As we see the re-appointment of these public officials by similarly corrupt public officials. The changes that came about in the legislation as it relates to the SEBAC agreements and the "Slave Insurance Policies" attempted to be instituted as well by these corrupted politicians could not have been altered without the influences of an opposing force. They have no ability to change their course of direction within their

own selves. Change therefore must be influenced from an outside source, as their intrinsic values are those of deception and other deviations from the law.

I hope you understand this, and please don't be fooled by the rhetoric they espouse. Cook some pudding, the proof is always in it. It is either good or not good. What has happened in my life is not good, and you can't doctor it up. Slavery, Institutionalized Racism, bigotry, discrimination, and biasness, they all have the same function and that is to keep the Black man down. As for the Black officials, the White people may be holding me down, but those are Senator Harp's, Representative Walkers' and Treasurer Nappier's heels on my throat. But please, don't tell Black women that. They won't believe they participate in slavery and such. They are on the side of the White man and the institutions that creates the problem. They are the underlining source to the problem, and not just them.

I can only be honest, and unlike someone just saying these things, the proof is in the complaint, or the pudding so to speak. You don't see Mr Cozzolino going through this to get his benefits. He is retired, lawyer or not. The law is the law.

Given that there are so many lawyers involved in the cover-up and distortions at the law, it can be understood that this is more than negligence, it is malicious in nature. As I came to find out that the governor himself is a lawyer, and was one supposedly for the people. So, as chief administrative officer of these public officials, please don't tell me he couldn't have already corrected this. What ever happened to "The Buck Stops Here?"

They are not responsible government officials, they are those that push the buck along. Honestly, it is like watching musical chairs. It is difficult to find respectable, honorable people in public office anymore. They went out with the Grasso, William O' administrations, this is probably why Mr. Bannon couldn't last long there. I am sure he saw the writings on the wall left by Grasso, and William O', and it stated an entirely different value. Research the different administrations of the past, you will be able to see the deterioration in policy and ethics for yourself.

THANK YOU, TO EVERYONE FOLLOWING ALONG!!!!!! I APOLOGIZE IN ADVANCE FOR THE MIS-SPELLED WORDS IN MY DOCUMENTS. I THINK IT BEST TO PUT MY MATERIALS UP AND THEN EDIT WHEN I AM FEELING BETTER.

I WILL POST THE BOOK 'AWTUHM DUV' PART ONE SOON TO THE SITE. I KNOW FROM MY POSTINGS YOU MAY THINK THAT THE DISCRIMINATION AND RACISM IS SOMETHING I EMBRACE OR IS SOMETHING THAT HAS GOTTEN TO ME. HOWEVER, THE MAIN CHARACTERS IN THE BOOK, ARE INVOLVED WITH EACH OTHER SEXUALLY AND ARE HAVING AN INTER-RACIAL RELATIONSHIP. BITTER, RACIST PEOPLE DON'T WRITE A SERIES OF THREE BOOKS WITH INTER-RACIAL ROMANCES. I HOPE THIS ANSWERS THE QUESTION.

"GET IN WHERE YOU FIT IN." THE COOCH IS NOT A RESPECTOR OF A PERSON'S COLOR. IT IS NOT RACIALLY BIASED. YOU UNDERSTAND, GUNS DON'T KILL PEOPLE. PEOPLE KILL PEOPLE. LOVE DOESN'T DISCRIMINATE AGAINST PEOPLE, PEOPLE DISCRIMINATE AGAINST PEOPLE. I CHOOSE TO LOVE, HATE IS SOMETHING THE ENEMY OWNS, I SIMPLY CHOOSE TO GIVE IT BACK TO THEM, AS IF THEY LOST SOMETHING. I DON'T WANT TO KEEP ANYTHING BELONGING TO SOMEONE ELSE. THAT'S STEALING.
